## 2 RAFFLE

Buy chances for wonderful RAFFLE ITEMS! Chances are \$10 each, 5 for \$40, OR 12 for \$80. On the line next to the prize you want to win, write the number of chances you want to enter for that item. For example, send in \$40 to purchase 5 chances. You might put "4" next to the Basket of Cheer, if you really want it. With your one remaining chance, you can put "1" on the sunglasses. It's that easy!
